14. Conference 2020 Report
- Refund of deposits, rescheduling for 2021.....
- a. Kelly Baumgartner offered the Conference update. Undoing the conference has been challenging. A few vendors need to be refunded. 2 deposits have still not been refunded. Heavenly Gourmet still has \$1000 and The Barges has not refunded \$420. The company that runs the barges has basically gone out of business, so ATM has most likely lost the money.

16. SOAH Complaint Ruling

- 
- a. Christy Martin led the discussion regarding the SOAH case regarding a newborn death from GBS. We all have some grave concerns about the statements of the prosecutors. She said that being GBS positive is a reason to transfer a client, that labor can't be induced at all, that full terms is the due date only (not the 37-42 week window). The board would very much like to see a complaint review board.
  - b. Laurie will add this to the next Midwives Advisory Board meeting.
  - c. Nurses have their own JD's to defend them in complaint cases.
